- Mac OS X 10.9, 10.10, 10.11, 10.12 and 10.13.
- At least 512M physical RAM.
- 1G Hz Intel processor or above CPU.
- 1024\*768 resolution display or higher Monitor.
- Spotify installed.

# PURCHASE & REGISTRATION

- Purchase Mac Version of Sidify Music Converter
- Register Mac Version of Sidify Music Converter

## Purchase Mac Version of Sidify Music Converter

Quick Link: To buy a license key for Sidify Music Converter Mac version at \$39.95, click [Here](#).

### 1. Why should I buy Mac version of Sidify Music Converter ?

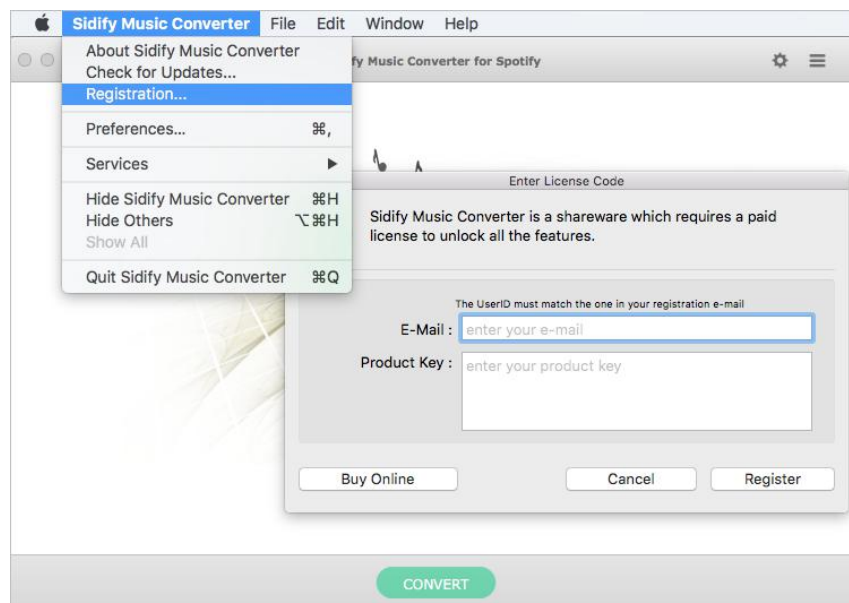

Sidify Music Converter for Spotify (Mac version) is a shareware, and the trial version has limits that enables users to convert first **3 minutes** for each audio for sample testing. After purchasing the program, you will be provided a license with your user ID and key code which will unlock the trial version limitation.

### 2. What benefits do I have after registration?

- You can convert Spotify songs without time limitation.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

## Register Mac Version of Sidify Music Converter

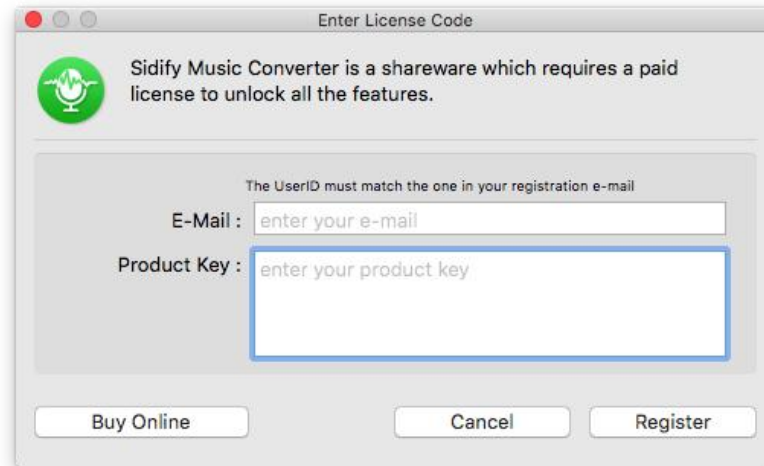

Step 1: Run Sidify Music Converter for Spotify. First you should click the menu bar, and then select the **Registration...** option to register the program. Or just click the "Unregistered" tab to open the registration window.

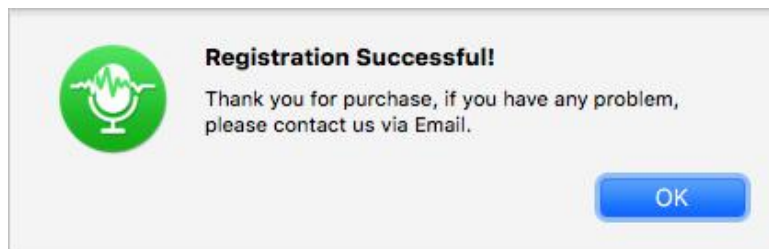

## Tutorial of Sidify Music Converter for Spotify (Mac)

Step 2: Please fill the input blanks with Email address and key code. You can use **Command+C** to copy and **Command+V** to paste them in the window.

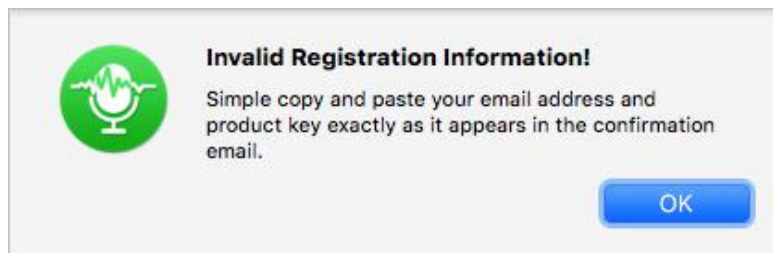

**Note:** Since 2016/9/22, Sidify's products have adopted a new registration mechanism. New users who purchased Sidify Music Converter are required to register the program with **email address** and key code. For old users, it's still available to register with **registration name** and key code.

Step 3: After you finished the registration, the limitation of the trial version will be removed.

**Note:** Make sure both the Email address & key code are the same as what we provided on the confirmation email after purchasing the program. If not, an error message will pop-up as below:

# INSTALLATION & INTERFACE

- Installation
- Main Interface
- Converting Interface
- Menu

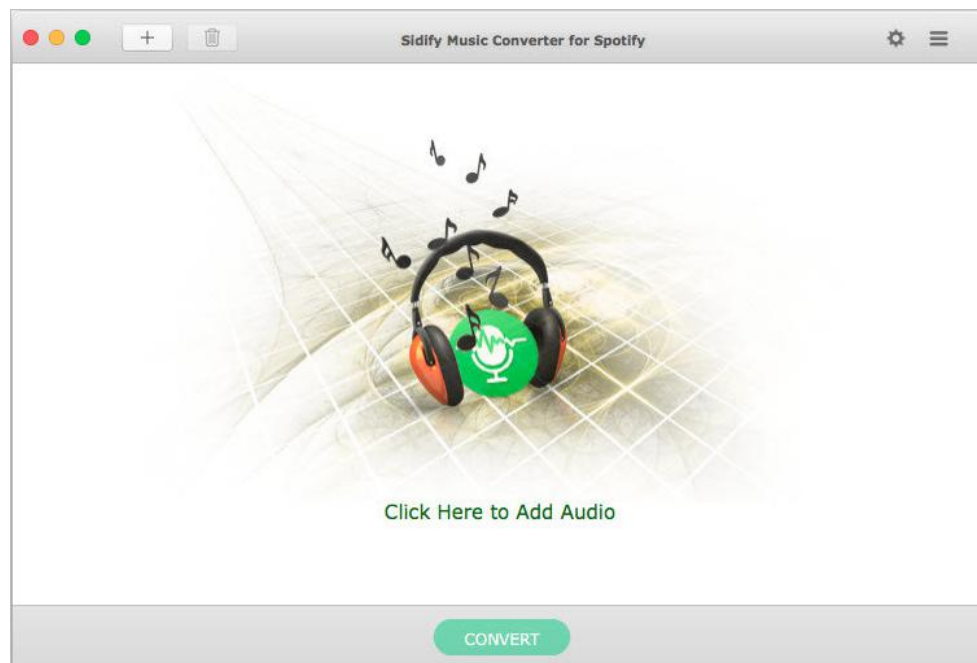

## Installation

To install this product, please follow the steps below:

1. Download Mac version of Sidify Music Converter for Spotify from [Download page](#).
2. Double click the installation file to start installing the program on your computer. Then simply drag the Sidify application's icon to your Applications folder.
