PURCHASE & REGISTRATION

- Purchase Sidify Music Converter Mac version
- Register Sidify Music Converter Mac version

PURCHASE SIDIFY MUSIC CONVERTER MAC VERSION

Quick Link: To buy a license key for Sidify Music Converter Mac version, click [Here](#).

1. Why should I buy Sidify Music Converter Mac version?

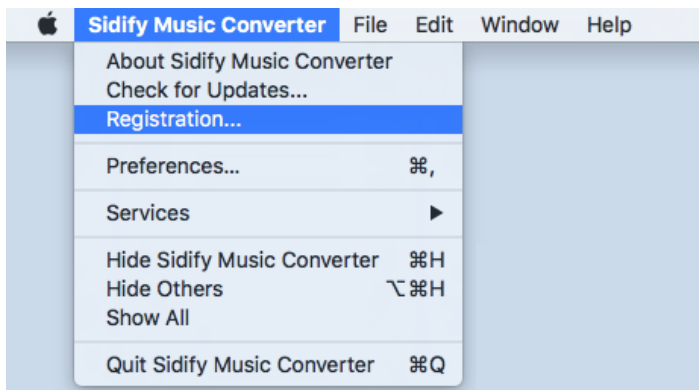

Sidify Music Converter Mac version is a shareware, and the trial version has the limitation that you can only convert first 3 minutes of each audio. After you purchase the program, you will be provided a license with your user ID and key code which will unlock the trial version limitation.

2. What benefits do I have after registration?

- Unlimited use without any time and function restrictions.
- FREE upgrades to the updated versions of the same product released.

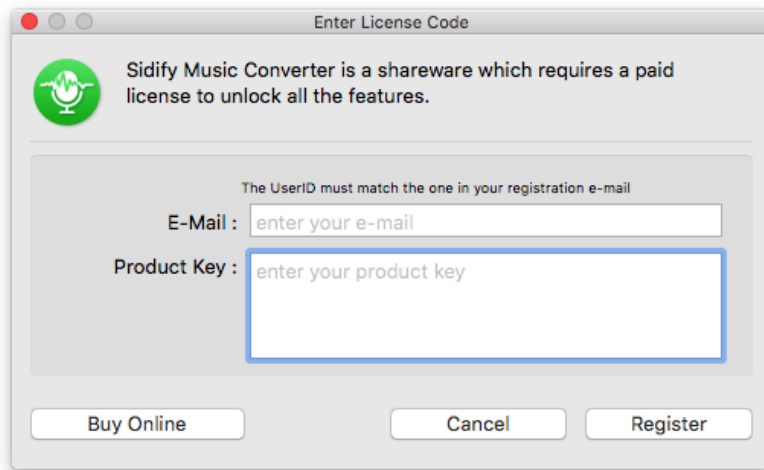

REGISTER SIDIFY MUSIC CONVERTER MAC VERSION

Step 1: Run Sidify Music Converter. First you should click the menu, and then select the **Registration...** option to register the program.

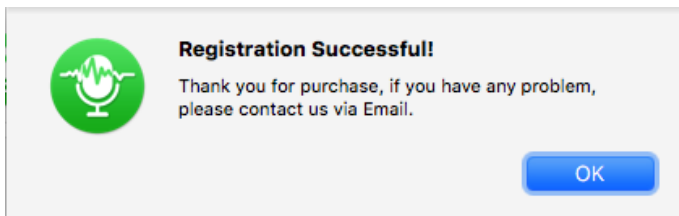

Step 2: Please fill the input blanks with user ID and key code. You can use Command+C to copy and Command+V to paste them in the window.

Note: Since 2016/9/22, Sidify's products have adopted a new registration mechanism. New users who purchased Sidify Music Converter are required to register the program with **email address** and key code. For old users, it's still available to register with **registration name** and key code.

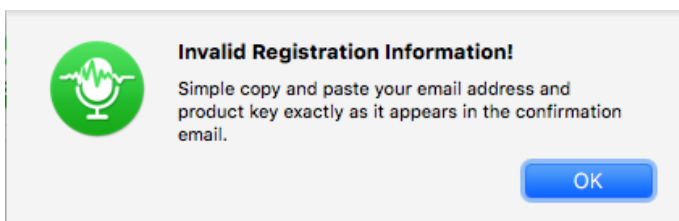

Step 3: After you finished the registration, the limitation of the trial version will be removed.

Notice:

Make sure both the user ID and key code are the same as what we provided on the confirm email after you purchased the program. if not, an error message will pop up as below:

INSTALLATION & INTERFACE

- Installation
